Paradigm Liaison Services & Indiana Pipeline Awareness Association Announce Safety Awareness Training Programs for Indiana

August 12, 2008 (Wichita, KS)—Paradigm Liaison Services & Indiana Pipeline Awareness Association reaches an agreement to provide Safety Awareness Training Programs to the state of Indiana.

Paradigm Liaison Services & Indiana Pipeline Awareness Association will be working together to bring pipeline operators in the state of Indiana consistent and comprehensive Safety Awareness Training Programs for Emergency Responders and Public Officials.

“We are excited to have this opportunity to work with INPAA,” said Jeff Davis, Vice-President. “Working through INPAA will create greater opportunities to reach the necessary stakeholder audiences in the state of Indiana.”

About Paradigm Liaison Services

Paradigm Liaison Services provides professional Safety Awareness Training Programs to the transmission, gathering, distribution and utility operators through various outreach methods mandated by local, state and federal guidelines. Based in Wichita, KS the company also has offices in Houston, TX. For more information, visit www.pdigm.com.

About Indiana Pipeline Awareness Association

Indiana Pipeline Awareness Association goal is to effectively communicate the purpose, reliability, hazards, prevention measures, leak recognition and one call requirements of the Indiana pipeline system to the Affected Public, Emergency Responders, Public Officials and Excavators within the state of Indiana. For more information, visit www.inpaa.org.
