Paradigm Liaison Services, LLC Will Present at Wisconsin Governor's Conference on Emergency Management and Homeland Security

January 28, 2008 (WICHITA, KS)—Paradigm Liaison Services, LLC, a company specializing in Safety Awareness Training Programs for the pipeline industry, was invited to present at the 2008 Wisconsin Governor's Conference on Emergency Management and Homeland Security. The conference is held annually to educate emergency personnel in various fields.

"We are honored to present at the conference," said Jeff Davis, VP Liaison Services. "We want to share our knowledge with industry personnel and look forward to the opportunity."

Paradigm Liaison Services, LLC will present a breakout session. The topic will be, "Pipeline Emergency Response – Tales, Tactics & Truths." The conference will be held in Appleton, Wis., on April 8.
